Wow Val....you received the best rating of all our conference presenters. You were definitely the hit of our IPMA-HR Western Region Conference this year! Everyone is hoping they will book you for our National Conference next year. Thanks again!

Val is absolutely amazing! I book speakers every month for our organization, but I've never had such a huge, positive response than from when Val came to speak. The attendees STILL talk about how great she was! Everyone benefits from a powerful Val presentation.

Thank you so much for your wonderful presentation at our Professional Women's Conference. Your presentation was fabulous. You were even quoted several times during our evening event. The women were definitely listening and numerous comments were made about how much your message was enjoyed.
